ASIS 2007—The Epicenter for Breakthrough Security Solutions

In September 2007, more than 23,000 security professionals from around the world will be streaming to Las Vegas for industry-leading technologies, education, innovations, and networking opportunities—and their success will be anything but a gamble. Make plans to join your peers at ASIS 2007, because Solutions Start Here.

**Date:** October 25-26

**Location:** George R. Brown Convention Center Houston, Texas

**Booth Number:** 824

**Web Site:** <http://www.ieci.org/index.mv?screen=467>

IEC Electric Expo 2007 will be the industry's premier electrical and systems tradeshow. Part of IEC's 50th Anniversary National Convention, this tradeshow will attract electrical and systems contractors from across the country as well as many strong local firms. A valuable educational program, fun social events, and networking opportunities make this tradeshow a memorable tradition for many electrical and systems contractors.
